Karl H. Jeppesen Dies Suddenly

This community was shocked beyond measure last Tuesday afternoon when it was learned that Karl H. Jeppesen, long time resident of the Town of Chester and the surrounding area had died suddenly at his home here.

Karl Jeppesen spent a great part of his life in public work. He was county assessor in Liberty County from the time of the creation of the county until the first Monday in January, 1955. He had published a letter to the people of the county early in the spring of 1954 stating that he would not be a candidate to succeed himself and retired at the end of his term. He had served as Deputy Assessor for Hill County for several years before Liberty County was created.

He was also interested in the oil development of Liberty County and probably did as much as any other one man in getting drilling companies interested in drilling here. He was instrumental in getting gas installed in Chester. He was also mayor of Chester at one time, and very active in the Lutheran Church in Chester.

Probably even more widely recognized than his name is the work done by Karl Jeppesen. Throughout the State of Montana, Liberty County is recognized as one of the few counties where property is assessed correctly.

He also had a Real Estate license and sold property insurance.

Mr. Jeppesen was known and respected by a great part of the population of this area. His passing will be mourned by all who knew him.

Funeral arrangements are pending at this time.

Fatal Accident Near Hingham

Mrs. Francis Karver, 51, of St. Johns, Michigan, was instantly killed at Hingham about 2:00 o'clock Sunday afternoon when the car in which she was a passenger was involved in an accident on U. S. Highway No. 2.

In Hill county jail is Arnold Anderson 38, of Trail, Minnesota, who was arrested by the highway patrol and charged with drunken driving and driving without a driver's license. Anderson appeared later before Justice of the Peace Emmett Stallcop, pleaded guilty to charges and was fined \$300 for driving while intoxicated and \$25.00 for not having an operator's license. In addition he was sentenced to 30 days in the county jail.

The highway patrol indicated that further charges may be filed pending the return of County Attorney Edward J. Ober, Jr. from his vacation.

According to the patrol, the Karver vehicle following a Canadian car was headed west on No. 2. Anderson drove through a stop sign narrowly missing the Canadian car. Karver swerved his car in an attempt to avoid being

struck by Anderson, but the cars collided and the Karver car skidded sideways, rolling over once on its top. Evidently Mrs. Karver was thrown out and the car came to rest on her body in the borrow pits.

The Karvers were on a vacation trip and planned to visit Glacier and Yellowstone parks.

They have two sons, one who is in Germany and the other in Michigan.

Anderson is an itinerant worker who has been working in the Hingham area.

Two Killed in Automobile Accident Near Fresno Friday, December 9

Two people, Max P. Kuhr, attorney of Havre and Mrs. Wm. Hadford of Joplin were killed in a head-on automobile collision near Fresno, on Highway No. 2 Friday about 3 p.m.

Funeral services for Mrs. Wm. Hadford were held in the Joplin Lutheran church Wednesday afternoon, Pastor Theo. Mendenhall officiating.

Mrs. Hadford met her death while riding from Chester to Havre with Max P. Kuhr. It will be remembered that Wm. Hadford died of a heart attack some two weeks ago, and Kuhr and Mrs. Hadford were going to Havre in connection with legal affairs of settling the estate. The Kuhr car collided head-on with a Canadian car driven by Erick Peterson of Victoria, B. C. Allegedly Peterson had pulled out of his lane to pass another car.

Kuhr died on the way to the hospital shortly after leaving the scene of the wreck and Mrs. Hadford passed away shortly after

reaching the hospital. Peterson, his wife and baby, were hospitalized, but are all slowly recovering, according to reports.

Mr. Kuhr had been attending district court in Chester, and Mrs. Hadford came to Chester to see him in connection with the Hadford estate. It became necessary for her to go to Havre; and they left together some time around 2:00 in the afternoon. The wreck occurred near Fresno, some 12½ miles out of Havre.

Mr. Kuhr was one of the prominent attorneys of Havre. He had held various positions of honor and trust in the community, was active in community affairs, and was a director of the Citizens Bank of Montana and the Liberty County Bank of Chester at the time of his death.

Mrs. Hadford had homesteaded south of Joplin in the early days of this county. She married Wm. Hadford in 1951, and had made her home in Joplin since her marriage.

Two Killed, Four Injured In Accident On Bear Den Road Sunday Afternoon

Grim Death stalked the highways of Liberty county Sunday afternoon snuffing out the lives of two teen-agers, Rae Jean Smith, 18 of Inverness and Gary Skonard of Joplin, when the cars in which they were riding collided, head-on on the Bear Den road about 29 miles north of Chester.

Miss Smith was riding in a car driven by Vernon Moog, Inverness, to whom she was to have been married today, Thursday. Her neck was broken in the crash, and she suffered head injuries. She lived only a few minutes after the accident.

Gary Skonard apparently died instantly. There was no evidence that he had ever moved after the crash. He had been riding in the front seat of the other car, opposite the driver, and was thrown into the dash and windshield. He was 16 year old.

Moog, 28, suffered multiple fractures, both arms were broken below the elbow, one leg was broken and several ribs were fractured. He suffered severe lacerations on both legs and internal injuries.

Roger Wilmes, 14, son of Mr. & Mrs. Joe Wilmes, Joplin, the driver of the other car, suffered a fractured skull, a broken leg, possible internal injuries and multiple lacerations about the head and face.

Donald Van Dessel, 18, son of Mr. and Mrs. Julius Van Dessel north of Joplin, suffered multiple fractures of the left leg and cuts around the head and face.

Kent Meldrum, 14, son of Mr. and Mrs. Frank Meldrum, Joplin had a broken arm, broken nose and lacerations about the head and face.

The accident occurred on what is known as the Bear Den road at around 4:40 p.m., about a mile east of the Emil Zoeller place. Wilmes was driving east and had in his car, Skonard in the front seat and Meldrum and Van Dessel in the rear. As he topped a small hill, one of those sharp little hills that a driver cannot see over, he met the car driven by Moog, with Miss Smith in the front seat with him. The two cars came together about 90 feet from the crest of the hill. Both cars were completely wrecked.

According to reports Eddie Tempel was the first to reach the scene of the accident, though Emil Zoeller was there just a few minutes after. They found Meldrum, dazed, incoherent, and all the others apparently unconscious. They brought Meldrum in to the hospital, notified the Sheriff, and got the ambulance started out to the scene of the accident, with Kenny Shaw at the wheel. Shaw was accompanied by Larry Bassett. Since Dr. Buker

was busy caring for Meldrum, he sent a nurse, Mrs. Huberty out to help with the work at the wreck.

Dodds and Otto brought in the bodies of the dead. Wilmes and Moog were brought in in the ambulance and Van Dessel rode into town in Jack McDowell's pick-up. A Havre ambulance was called and Van Dessel was taken at once to a Havre hospital.

As this is being written Wednesday afternoon, Wilmes is still unconscious in the local hospital, though it is reported he seems to be a little easier than he was Monday. However, he is still in a very critical condition.

Moog was taken to a Havre hospital Tuesday morning, having started bleeding internally over the night. Surgery was performed and a ruptured spleen removed.

Van Dessel is reported as being probably out of danger, having had his leg set in the Havre hospital Monday. Meldrum was dismissed from the hospital Monday afternoon.

Funeral services for Rae Jean Smith, daughter of Alfred Smith, Spokane, Washington and Mrs. Anna Hansen Smith of Inverness were held Wednesday morning in the Inverness Catholic church.

She was born in Havre August 30, 1937 and grew up in the Inverness community, and was graduated from Inverness high school last spring. Two Killed, Four Injured In Accident On Bear Den Road Sunday Afternoon

Grim Death stalked the highways of Liberty county Sunday afternoon snuffing out the lives of two teen-agers, Rae Jean Smith, 18 of Inverness and Gary Skonard of Joplin, when the cars in which they were riding collided, head-on on the Bear Den road about 29 miles north of Chester.

Miss Smith was riding in a car driven by Vernon Moog, Inverness, to whom she was to have been married today, Thursday. Her neck was broken in the crash, and she suffered head injuries. She lived only a few minutes after the accident.

Gary Skonard apparently died instantly. There was no evidence that he had ever moved after the crash. He had been riding in the front seat of the other car, opposite the driver, and was thrown into the dash and windshield. He was 16 year old.

Moog, 28, suffered multiple fractures, both arms were broken below the elbow, one leg was broken and several ribs were fractured. He suffered severe lacerations on both legs and internal injuries.

Roger Wilmes, 14, son of Mr. & Mrs. Joe Wilmes, Joplin, the driver of the other car, suffered a fractured skull, a broken leg, possible internal injuries and multiple lacerations about the head and face.

Donald Van Dessel, 18, son of Mr. and Mrs. Julius Van Dessel north of Joplin, suffered multiple fractures of the left leg and cuts around the head and face.

Kent Meldrum, 14, son of Mr. and Mrs. Frank Meldrum, Joplin had a broken arm, broken nose and lacerations about the head and face.

The accident occurred on what is known as the Bear Den road at around 4:40 p.m., about a mile east of the Emil Zoeller place. Wilmes was driving east and had in his car, Skonard in the front seat and Meldrum and Van Dessel in the rear. As he topped a small hill, one of those sharp little hills that a driver cannot see over, he met the car driven by Moog, with Miss Smith in the front seat with him. The two cars came together about 90 feet from the crest of the hill. Both cars were completely wrecked.

According to reports Eddie Tempel was the first to reach the scene of the accident, though Emil Zoeller was there just a few minutes after. They found Meldrum, dazed, incoherent, and all the others apparently unconscious. They brought Meldrum in to the hospital, notified the Sheriff, and got the ambulance started out to the scene of the accident, with Kenny Shaw at the wheel. Shaw was accompanied by Larry Bassett. Since Dr. Buker

was busy caring for Meldrum, he sent a nurse, Mrs. Huberty out to help with the work at the wreck.

Dodds and Otto brought in the bodies of the dead. Wilmes and Moog were brought in in the ambulance and Van Dessel rode into town in Jack McDowell's pick-up. A Havre ambulance was called and Van Dessel was taken at once to a Havre hospital.

As this is being written Wednesday afternoon, Wilmes is still unconscious in the local hospital, though it is reported he seems to be a little easier than he was Monday. However, he is still in a very critical condition.

Moog was taken to a Havre hospital Tuesday morning, having started bleeding internally over the night. Surgery was performed and a ruptured spleen removed.

Van Dessel is reported as being probably out of danger, having had his leg set in the Havre hospital Monday. Meldrum was dismissed from the hospital Monday afternoon.
