GENEALOGICAL SOCIETY

Lilly Kathryn FURLONG was born in Chester
Montana November 22nd, 1922. She was the
6th of ten children and the first daughter
born to Ina Marie Keith and Edward R. Furlong.

Lilly received her formal education in the
Chester community, graduating from C.H.S. in
1941. She married Howard Wirth Eveland on February 17th, 1942 in
Helena. While Howard completed his military training, Lilly made
her home in Chester and worked at the telephone office. In 1949
she began working at the Liberty County Library and also worked
part-time at the Clerk & Recorder's Office. Lilly served as
Liberty County Librarian for 40 years, retiring in December of
1989. She suffered from cancer these past few years which required
numerous hospitalizations and treatments. Two weeks ago she went
to California to be with her sister, Ina. While there she entered
a hospital at Whittier and died on the afternoon of Tuesday, Feb.
5th. She was 68 years old.

Lilly was a lifelong member of the Chester Methodist Church.
Because her infant baptism records were lost, she was rebaptized
in the new Methodist Church several years ago. Lilly was also a
charter member of the Chester V.F.W. Auxiliary and had been a
member of the Royal Neighbors of America dating back to 1939. She
also held membership in the Montana Library Association from 1951-
1990. In addition, she helped form the Broken Mountain Genealogical
Society and was a supporter patron of the Chester Garden Club. In
1976 Lilly designed the Liberty County flag for the bicentennial;
Maxine Ward did the needle-work in that original flag, which is

still on display at the county library. In more recent years Lilly enjoyed her involvement with the Milk River Good Sam Club and she always looked forward to attending the annual Sweetgrass Hills Family Camp.

Lilly had numerous hobbies. She loved to read, and always encouraged the younger people to read. She personally took several telecom continuing education courses through the library system. Lilly enjoyed gardening, flowers and houseplants(in fact, alot of the green plants at the library were orginally started by Lilly). When her kids were young, she did a lot of sewing and mending. She enjoyed working crossword puzzles and playing 'scrabble'. She was a good cook, and her family has fond memories of her wouderful breads and her delicious cornbread-&-beans. Lilly was always generous to her family and freinds, and she enjoyed her many contacts with her church family.

Lilly had cancer that ravished her physical body, but it couldn't destroy her undying faith. She was given a poem that she shared with her family and friends. The poem is entitled "What Cancer Can't Do. by author unknown:

Cancer is so limited...
It cannot cripple love,
It cannot shatter hope.
It cannot corrode faith,
It cannot eat away peace,
It cannot destroy confidence,
It cannot kill friendship,
It cannot shut out memories,
It cannot silence courage,
It cannot invade the soul,
It cannot reduce eternal life,
It cannot quench the Spirit,
It cannot lessen the power of
the resurrection.
