Joy, and Then Sorrow.

The stork on its rounds left a wee baby girl to the care of its parents, Mr. and Mrs John N. Dorsey, last Saturday, at the Deaconess' hospital in Great Falls, but scarcely had the big bird fulfilled its mission of joy, when that grim old tyrant, Father Time, with his scythe, came Monday morning and took the soul of little Frances Theresa Dorsey to its giver. Mrs Dorsey is reported to be getting along nicely.

The Signal extends its sincere sympathy to Mr and Mrs Dorsey.

John Osler Dead.

John Osler died Monday afternoon, at the Deaconess' hospital in Great Falls, from the effects of the terrible exposure he suffered in going home, from Chester, Thanksgiving day, when in company with his wife; daughter, Mrs Vaver and two children, and son George, became lost and remained out over the coldest night of the winter.

After two weeks of intense suffering he was taken to the hospital, where all of his toes were amputated; the shock and his advanced age proved to be more than he could endure and death relieved him.

Mr Osler was born near Breckin, Forfarshire, Scotland, 66 years ago was married to Mary Keith, a sister of the Keith Brothers of Alma, in 1880 and eight years later they came to America, settling in western Minnesota and about four years ago the family moved to Montana, taking up land near Alma, where they have a good ranch.

Mr Osler was a gentleman of the old school, honest to a degree and generous to a fault; the community in which he lived has lost a friend indeed.

Besides his wife, Mr Osler leaves two sons, George and John, two daughters, Mrs John Vaver and Mrs John McDowell all living near home, and two brothers and a sister in Scotland.

The body reached Chester yesterday morning and the funeral will be held this afternoon at 3 o'clock, interment in the new grave yard a short distance east of town.

DEATH CLAIMS A BABY

Almost without warning another young life has ended and another family mourns the loss of the first-born.

While playing around his home near Lothair Monday afternoon, little Olney, the two year old son of Mr and Mrs C. E. Oswood, was stricken with convulsions and early Tuesday morning his soul was taken by its maker.

The body was brought to Chester and the funeral was held Wednesday morning from the schoolhouse, Rev. Colyn officiating. Interment in the new cemetery.

Little Olney was a sturdy lad and to look at him one would never imagine that old Father Time would seek to cut him down at such a tender age.

Mr and Mrs Oswood have had one misfortune after another during the past couple of years but this is the hardest of all.

Benton Child Dragged To Death By Pet Calf

FORT BENTON, Oct. 29.—A distressing accident occurred on the ranch of Wearne Rowe, about 12 miles down the Missouri, resulting in the death of his three year old child. Several children were playing "horse" with a pet calf. A long lariat rope was attached to the calf, and the other end to the three year old child. The calf became frightened and ran, dragging the child, and before it could be rescued it was dead. Mr. Rowe is away from home in Illinois.

Mrs. H. S. Boyle, Mr. Rowe's sister, was the only adult person about the place at the time of the accident, and though she made strenuous efforts to rescue the child, life was quite extinct when she succeeded in getting to the little one.
