KATHERINE TAPLIN'S LETTERS TO A FRIEND

The following letters are written by Katherine Taplin to a friend Mrs. Clarence Taylor in Kingsley, Iowa. Mrs Taylors daughter Alice found these letters and in writing her about the Taplin family she sent them. The Taylor's came to Kingsley, Iowa in 1891, he set out lots of fruit, apple orchard and one acre of grapes and ect. So they sold fruit at the farm. Alice, Mrs. Taylor's daughter remembered Katie and some of the family coming by team and buggy for fruit. The Taylors lived 1 mile East and $2\frac{1}{2}$ miles south of Kingsley, Iowa and the Taplins lived on the West edge of Kingsley.

Maybe before I go any further I should give a little history about the people here.

Solomon Taplin was born to John Taplin and Dorothy Cale in Banbury, Oxford shire England the 25 Nov. 1861. He came to the United States when he was 22 years old. Most of his brothers and sisters came too. He married Katherine Morwood who was born March 10,1869 possibly Belfast, Ireland, they were married 31 August 1889 in Kingsley, Iowa. Her parents name were Samuel Morwood and Sarah McKelvey.

Solomon and Katherine Taplin had 10 children and they were all born in Kingsley, Iowa. Their names are as follows: Roy, Bertha, Effie, Sadie, Clara, Agnes, Annie, Amelia, Ralph and Katherine.

The Taplins left Kingsley in Oct. 1911. Sadie my husbands mother was born in 1894 so she would have been 17 years old.

West of Kingsley there is a creek called Westford Creek or sometimes a river. on this creek or river was a dam and flour mill. When the river got high, fish (Carp) would be in the shallow places and couldn't get out. Mr. Taplin would take a gun and shoot some large ones. Clifford, Alice's brother said that Mr. Taplin would give their grandfather some fish.

Mr. Solomon Taplin had a butcher shop and in May 1906 William

Schneideskamp of Decatur, Nebraska purchased Solomon Taplins butcher shop. Then Jan 1907 Solomom Taplin and Son went into the country to butcher at any farm desiring their services. These two news idems were out of the Kingsley news paper.

The Taplins and Taylors were not to well acquainted. But Clarence Taylor was always interested in people who moved to new parts of our country. And he asked them to write.

Katie was so glad to hear from Mrs. Taylor.

In one of the letters Katherine mentions some thing about her two darlings buried in Iowa. A person named Otto Roepke said that the Taplins bought lots in the cemetery. This Otto checked and there are several stones out there with names and dates on them but they aren't legible anymore. But there were no names or dates in the records. The name of the cemetery is Old Elkhorn Cemetery.

Winter comes early here in the Far North; it started this year with our first recorded snowfall on August 26th. Winter lasts so long; sometimes it is late May or early June before the last ragged edges of the 'dirty-snow' melt away. Temperatures drop to -50° C and when the wind-chill factor is computed, it bottoms out at -70° to -75° C. That is cold in any language. Only polar bears venture out.

In an attempt to keep 'Cabin Fever' at a minimum, everyone has a project: this year the project is to commence work on our family tree. We have talked about discovering our "roots"; however, we had no idea what a genealogy was comprised of or what was involved in compiling a family history.

When my husband retired from conducting symphony orchestras and leading his own Big Band in Europe, we established an academy here in Timmins, Ontario. We teach Arts & Crafts & Music to Cree/Ojibway Native Peoples. We are professionals in this field; however, we are novices at this endeavor of Genealogy. Since Maestro Saaristo was born in Helsinki, Finland, he is researching his own blood lines in Europe. As most of my ancestors immigrated to the United States, I am seeking to enlist all of the aid I can find in tracing my fore-bearers from the time they landed on the Atlantic Coast through the Westward migration. (I came along when they reached Oklahoma!)

Any information you can forward on the following surnames will be most appreciated:

ADAMS, BARNES, BROWN, COOPER, CUMBIE, CUNNINGHAM, CURL, DAURTHY, FORMAN, FOWLER, GOODMAN, GRAVES, HATLEY, KEANNER, KEENER, KING, KIRBY, LEACH, McCAM, McCARTY, McCORMICK, McFATRIDGE, McGOWN,

MILLER, MITCHELL, MOUSER, PARKER, PARTAIN, PIERCY, PINEGAR, PRIDDY, RAINWATER, RAY, REED, REISINGER, ROBERTSON, ROOK, SCOTT, STANDARD, STOCKTON, SWAIN, WILLIAMS, WROUTHWELL, and YATES....

There are so many of them because there are so many of us If there is a charge for this information I would be most happy to cover any costs incurred. Also, if you might suggest any additional sources of information, it would be very helpful. Tonight is Halloween and all the witches, goblins and ghosts are out there in the dark roaming around. What a pleasant surprise to discover I might be related to some of them. Thanking you in advance I remain. Sincerely yours,

LONG AS WE HAVE FAMILY Hester & Stockton

WE ARE NOT

ALONE!
