OSCAR KULPAS IN FATAL ACCIDENT

FATAL ACCIDENT HAPPENS TO TWELVE YEAR-OLD BOY WHILE HORSEBACK RIDING TUESDAY

Oscar, the twelve-year-old son of John Kulpas started out Tuesday afternoon to look for some horses and as his own saddle was out of repair, he used his father's saddle which was the probable cause of his death. He was seen by some neighbors about three or four o'clock in the afternoon and Matt Morgan who was on his way home noticed a horse away from the road a short distance with a saddle on. Investigating, he found it to be John Kulpas' horse and from indications he concluded there had been an accident. Gathering some neighbors they started out and found the dead body of Oscar about one mile west of the Mrs. Muir ranch. He had evidently met his death by becoming fast in one stirrup as the horse had jumped sidewise and then dragged him. His clothing was most torn from his body and one high-top lace shoe was torn from the foot which was entangled. Mr. Kulpas was away working and did not know of the accident until the body was brought to Chester. The funeral was held Wednesday at 2 o'clock p.m. Obituary on another page.

OBITUARY

Oscar Alexander Kulpas was born in Chester, Mont., December 29, 1914, and died an accidental death June 5th, 1928, age 12 years, 7 months and 1 day. JAMES TURNER PASSES AWAY

James Turner, who for a number of years has resided in the Chester and Galata territo­ry, died at a hospital in Great Falls last Thursday, November 29, after an illness of more than two months which followed a fall from a horse.

When Mr. Turner was injured, he was taken to a Great Falls hospital, where he remained for several weeks, but was brought back to his ranch near Galata about two weeks before death to recuperate, but he soon began to show signs of a relapse and consequently he was again removed to the hospital at Great Falls where he died. Since the fall he was partially paralyzed and recently contracted pneumonia, which ultimately caused his death.

Last Friday the body was taken to the George chapel where same was prepared for burial, the funeral taking place on Monday of this week, the funeral services commencing at 1:45 p.m. at the First Congregational church, with The Rev. P. W. Dierberger officiating. The funeral being under the auspices of the Masonic lodge which conducted the services at the grave in Highland cemetery of Great Falls.

Mr. Turner was 56 years old. Besides the widow, he is survived by a son, James Clark Turner, and a daughter, Mrs. Evan Bethune of Bellingham, Calif.

Deceased was well known to the people of western and central Liberty county. He was well liked and bore an excellent reputation among his fellowmen and co-workers, all of whom regret his departure.

James C. Turner was born near Nashville, Tenn., September 13, 1862, a dependent of one of the pioneer families to come from Virginia to Tennessee to help reclaim that district from the Indians. Mr. Turner moved to Montana about 47 years ago, settling on the Marias river southwest of Chester and south of Galata. He became identified with the cattle industry and followed the roundups from their beginning until the virtual extinction of this custom a few years ago. The Turner place was well known among the cattlemen and range riders of the past 40 years as a real landmark of hospitality, where the latchstring hung out to the traveler or range rider who happened that way. His passing sends one more cowpuncher to join the boys at the home ranch across the big divide.

The pallbearers were composed of old time friends from Liberty county, who were: Mark Corkill, James Townsend, Thomas Kincaid, Leonard Puesley, W. D. Jones and Carl Burbank.
