Services held for J. Austin Broadhurst

Joseph Austin Broadhurst was born in Liberty, Missouri on January 15th, 1903. He was the 4th of five children born to Maggie Augusta Johnson and Joseph Jackson Broadhurst. He was baptized Methodist and had his early schooling in Missouri. In 1915 he came to Montana with his family, spending that first winter in Raynesford and then coming to Chester the following spring. They homesteaded on the Pondera Creek located 25 miles southwest of Chester. Austin finished his education at country schools near the homestead. In addition to helping out on the family farm, Austin worked for neighboring ranchers, including Harold Kinread and L.D. Pugsley. On November 28th, 1928 he married Myrtle Berg in Great Falls, and the product of that marriage was three children. They took over the family homestead in 1938. In the later 1940’s Austin served a term as Liberty County Commissioner. He remained active on the original homestead until 1963, when he sold it to his son, Bud. On November 7th, 1964 Austin married Violet Jabe Armstrong in Great Falls. Since that time they have lived on the Armstrong ranch in the Ledger community. Austin also had a summer ranch in the Browning area, where he remained active in the cattle business until the fall of 1981, when he retired due to ill health. He has had several long hospitalizations these past six months. Austin died at the Liberty County Hospital in Chester on the early morning hours of Thursday, December 1st. He was just 1½ months shy of being 81 years old.

Austin was a lifetime member of the Montana Stockgrowers and longtime Hereford breeder. He held memberships in the Shelby Elks and Moose Lodges, and served as a State Brand Inspector for many years. In the depression years he helped build and repair highways, reservoirs and dikes along the hi-line, so a lot of history dies with him. In his younger years he enjoyed raising a nice vegetable garden and working with horses and cattle. His love for the ranch continued to grow, as he was a “cow man” from the word go. He was a good corral builder, an avid rodeo fan, and he loved good quarterhorses and cow ponies. He enjoyed fishing for brook trout in Browning, and in his quiet hours he liked to read any Western book he could get his hands on. Austin had a good sense of humor, and he never lost it, even at the end. He was happy with life and his marriage to Violet, and at times was very compassionate and caring to those around him. Austin was no better than any other, just simply a unique man from a unique era...

Survivors include his wife, Violet of Ledger; 1 son, Kenneth of Ledger; 2 daughters, Glora Lomen of Chester and Mrs. Bernie (Alice) Bach of Fort Benton; 14 grandchildren; 10 great-grandchildren; numerous nephews and nieces; and his faithful blue heeler dog, “Judy.” Austin was preceded in death by his parents, by his 3 brothers (Earl, Arvin and Claude), by his sister (Effie), and by 2 grandchildren.

Following is the “Cowboy’s Christmas Prayer,” which is not only timely, but is something Austin might have considered one cold, lonely night out on the prairie:

I ain’t much good at prayin, and you may not know me, Lord —
I ain’t much seen in churches where they preach thy Holy word.

But you may have observed me out here on the lonely plains, A-lookin after cattle, and feeling thankful when it rains.
Admirin Thy great handiwork, the miracle of grass, Aware of thy kind spirit in the way it comes to pass.

That hired men on horseback and the livestock that we tend, Can look up at the stars at night and know we’ve got a friend.

So here’s ol’ Christmas comin on, remindin us again Of Him whose “comin” brought good will into the hearts of men.
A cowboy ain’t no preacher, Lord, but if you’ll hear my prayer, I’ll ask as good as we have got for all men everywhere. Don’t let no hearts be bitter, Lord, don’t let no child be cold. Make easy beds for them that’s sick, and them that’s weak and old. Let kindness bless the trail we ride, no matter what we’re after, And sorter keep us on your side, in tears as well as laughter.

I will lift up mine eyes unto the hills,
from whence cometh my help.

My help cometh from the Lord,
which made heaven and earth.

The Lord is thy keeper: the Lord
is thy shade upon thy right hand.
The sun shall not smite thee by day,
nor the moon by night.
The Lord shall preserve thee from all evil:
He shall preserve thy soul.
The Lord shall preserve thy going out
and thy coming in from this time forth, and even for evermore.

Graveside services for Steve Elloff

Steve Elloff, age 87, died Monday afternoon (May 23rd) at the Liberty County Rest Home in Chester. He had been a resident at the rest home since July, 1977.

Very little information is known about Mr. Elloff. He was apparently born in Yugoslavia on September 15, 1895. He reportedly had four brothers and four sisters in Yugoslavia, but it is unknown if any of them are still alive. He came to the United States in the early 1900's and eventually ended up in Montana. He worked for the Great Northern Railroad on the section crew for many years on the Hi-Line, and retired in 1960. He lived alone in Gildford before coming to Chester. Hospital records indicate that he never married. Although reports indicate that he was a "pleasant" person, he was also a "loner," so not much else can be told.

Graveside services will be held at the Chester Cemetery at 2:30 p.m. today (Thursday, May 26th). Father Denis Keane of St. Mary's Parish will conduct comittal prayers. Funeral arrangements by Rockman Chapel.

Emanuel Frederick Gabbert was born on September 15th, 1914 in Marshall, Minnesota. He was one of seven children born to August and Alma (Stage) Gabbert. As a child he went with his family to the Hankinson, North Dakota community, where he attended schools through the 8th grade. He was confirmed Lutheran in 1928. Following his education, Emanuel worked on the farm with his family. He helped Herman Swan on a mail route and was later employed on the Frank Liska farm. In April of 1942 Emanuel entered the U.S. Army. While in the military he served at Normandy in northern France, at Rhineland, and in central Europe. He achieved the rank of Tec-5 and was honorably discharged in October of 1945. He returned to Chester. On April 3rd, 1947 he married Anna Sneider in Great Falls. They have made their home here since. Emanuel worked for the county for a short while, then worked on the George Mattson farm, then returned to work for Liberty County again. He had also driven school bus for Burnham Murray for a number of years. Emanuel retired 6 years ago at the age of 62. He has done odd jobs around town for various senior citizens since that time. About a year ago his health began to fail. Following a short stay at the Fort Harrison Veterans Hospital in Helena, he died on the evening of Sunday, September 4th. He was 68 years old.

Emanuel held a lifetime membership in the Chester V.F.W. Post #3997. He was also a member of Our Savior's Lutheran Church and had been active in the Chester Volunteer Fire Department and Ambulance crew for many years. He was a very patriotic and proud man, and this was exemplified over the years when he marched in community military parades, served in firing squads at funerals and Memorial Day celebrations, taught flag etiquette to school children, and served many years as a Boy Scout leader. In his younger years he enjoyed ice skating and baseball, and he used to play a guitar. When his children were in school, he followed the sports program and other school activities. He enjoyed cooking, and especially liked camping and picnicking. Following his retirement, he liked to travel, especially when hunting and fishing were involved in the trip! Emanuel had been a "rookhound" for many years, collecting everything from unusual stones to Indian artifacts. Many pieces of his handmade rock jewelry are owned by friends and relatives around the country. Emanuel was a very "outdoorsy" person; he loved the prairie and the smell of sagebrush. Since his retirement he has kept himself busy in his yard with a beautiful flower bed, and he was especially fond of gladiolas. In his quiet hours he enjoyed reading nature and scientific magazines like National Geographic. He was a loyal family man and friend.

Services held for Ellen Gunderson

Ellen (Ottem) Gunderson was born in Trondheim, Norway on May 25th, 1889. She was the youngest of 17 children and her parents were Iver and Elén (Evensdtr) Ottem. Ellen came to the United States in her teens with two brothers, and she moved to the Norwich, North Dakota community to live with her sisters. She took a job as a housekeeper with a family there and learned to speak English. She later heard about homesteaders’ claims in Montana, so she came here and filed her claim 30 miles north of Chester. It was here that she met George T. Gunderson, and they were married in 1912. They were engaged in farming and cattle ranching on that original homestead until 1940, when George passed away. Ellen remained on the farm until 1957, when she moved to her home in Joplin. She lived there for many years until moving to the rest home in Chester. Her health these past few years had failed and she had been hospitalized on numerous occasions. Ellen died at the Liberty County Hospital in Chester on the evening of Thursday, February 24th. She would have been 94 years old this coming May.

Ellen was a charter member of the Immanuel Lutheran Ladies Aid and was instrumental in the building of the church north of Joplin. She was also a charter member of the Bears Den Home Demonstration Club. Ellen enjoyed the best of life: her family, friends and farm. Fond memories by her grandchildren were her culinary specialties, including lefse, rosettes, pancakes and cherry pie, and it was always a treat at “grandma’s” because her cookie jar was always full! In addition she was always concerned for their health; that is, that they were warmly dressed, ate good nutritious food, and were early to bed. Ellen’s love for the ranch can best be described by her total involvement in it; she helped with the harvest, with calving, and with every phase of its operation. Her hobbies were many, including knitting, crocheting and reading. She loved to play cards, especially pinochle and whist. Her life was truly blessed, and she knew it and appreciated it...

Survivors include her daughter, Mrs. Ed (Esther) McClear of Joplin; 2 daughters-in-law, Josephine of north Chester and Pauline of Homeland, California; 8 grandchildren; 23 great grandchildren; and numerous nephews and nieces. Ellen was preceded in death by her parents, husband, 2 sons (Doug in 1977 and Edwin in 1978), 16 siblings and 1 great-grandchild.

Funeral services were held at 11 a.m. Wednesday (March 2nd) at the Bethel Lutheran Church in Joplin with Reverend John Olson officiating. Grandson Leonard Gunderson sang “The Lord’s Prayer,” accompanied by Thelma Anderson. The congregation sang one of Ellen’s favorite hymns, “Beautiful Savior.”

Harold Hodges and Donald Fusk served as ushers. Pallbearers were grandsons Jerry Thorson, Gordon Kaakamaana, and Dale. Dennis, Donald and Leonard Gunderson. Interment was in the family plot at the Chester Cemetery with arrangements by Rockman Chapel. A memorial luncheon followed in Joplin at Kjoss Hall.
HENRY "HANK" HALVERSON  
Born: July 10, 1897 - Died: June 3, 1983

HANK HALVERSON

Henry Halverson was born on July 10th, 1897 in McIntosh, Minnesota. He was one of seven children born to William and Mary (Arneson) Halverson. Hank was baptized and confirmed in the Norwegian Lutheran faith. His parents came to Montana in 1910 and homesteaded 17 miles north of Galata. Hank attended the Grandview country school near the farm and later enrolled in the Spokane Business College. He returned to Galata to farm with his folks, and took over the operation in the mid-1930’s. Hank married Sylvia Larsen on February 11th, 1939 in the Galata Church. They made their home on the farm and remodeled the original homestead house. Hank has suffered from Parkinson’s Disease these past 20 years, so he retired from farming in 1966, although he has remained on the farm with his family. Sylvia died on December 2nd, 1980. Following a hospitalization in April of this year, Hank entered the Liberty County Rest Home in Chester. He died there at noon Friday, June 3rd, at the age of 85 years.

Hank has been a member of the Galata Parish and Brotherhood for many years. Of interest is the fact that not only were he and Sylvia the first couple to be married in the parish, Sylvia was the last funeral in the old church, and now Hank is the first funeral in the new church. Hank was an avid sports fan, and he especially liked basketball and boxing (he was one of the few people still around who saw the famous Dempsey-Gibbons fight in Shelby). Hank was also a great dancer, he liked to play cards, and enjoyed travelling. Although he wasn’t outspoken when it came to politics, he was very interested in it. He liked to read, especially histories at the local level. He was noted for his superb “hotcakes”, and was a great lover of lundefisk and lefse at holiday time. Hank enjoyed people and always had time to visit. But most of all, he loved his family and his farm....

Survivors include his daughter and son-in-law, Sharon and Monte Lerum of Galata; 2 grandsons, Dean and David of Galata; a brother, James of Galata; and several nephews and nieces. Hank was preceded in death not only by his parents and wife, but also by 2 brothers (George and Andrew), 3 sisters (Hilda Gredvig, Caroline Jensen and Ella Larsen), and a grandson (Bruce).

Funeral services were held at 11 a.m. Tuesday, June 7th, at the Galata Lutheran Church with Reverend Ken Bartle officiating. Hazel Munson provided accompaniment to Carole Hanson, who sang “Beyond the Sunset” and “Amazing Grace”. The congregation sang “What A Friend We Have In Jesus” and “Beautiful Savior”. Ushers were Alfred Rosgaard and Dwayne Markuson, and honorary bearers were “all of Hank’s friends and relatives”. Those men serving as active pallbearers included Dick Kennett, Leo Kolstad, Ray Zelenka, Grant Flage, Hales Scalese and Quinten Larsen. Interment was in the Galata Cemetery with arrangements by Rockman Chapel, Chester. A memorial luncheon followed back at the church.

Margaret Ann Lyders was born in Chester, Montana on December 12th, 1917. Her parents, Anna Amelia Swenson and Martin H. Lyders, had come to Montana in 1913. They helped form the first Lutheran congregation here, so Margaret has been actively involved in the church since childhood. She attended schools in Chester and graduated from C.H.S. in 1935. While in school, she was an avid basketball fan and participant. In the two years following high school, she worked as a clerk in the courthouse: On October 27th, 1937 she married Lloyd Hendrickson in Chester. Her greatest love was her family, and she was known to them as "Gramma Bug". Margaret had a happy 46 years with her loyal companion and friend, Lloyd...
Harrold can best be described as a basic Montana "cowboy". He grew up on a ranch where sheep and cattle were herded by horseback. The work was hard and the hours were long, yet he was dedicated to this lifestyle. He loved the outdoors and nature, including the simplicity of a wild prairie flower to the challenge of delivering a newborn calf. In those many years of bachelorhood he learned to be a good cook, and his specialty was homemade potato soup and biscuits. In his younger years, Harrold enjoyed fishing. Since his marriage to Annette they have done some travelling, which he thoroughly enjoyed. Harrold's memberships included the Montana Grain and Stockgrowers' Association and the Galata Masonic Lodge #106. He was an animal lover and cared especially for dogs, and at the time of his death had a loyal pet dog named "Fanny."

PEARL AGNES SULLIVAN KEITH
Born: March 7, 1894 - Died: August 28, 1983
Liberty County Times
September 8, 1983

Funeral held for Pearl Keith, 89

Pearl Agnes Sullivan was born in Troy, Idaho on March 7th, 1894. She was the only daughter of three children born to Charles & Lucinda Sullivan. Pearl attended schools in Troy, and following high school graduation she attended the Blair Business College (now known as Kinman) in Spokane, Washington. She came to Montana with her family in 1912, and they homesteaded north of Chester. The Keith family were also homesteaders, and their farm was just north of Sullivan’s. It was by chance that Pearl met her husband-to-be, Richard Thomas “Dodds” Keith, at a waterhole near their farms. They were married on June 26th, 1913 at the Spring Coulee Ranch north of Chester. Of interest was the fact that it had rained heavily on their wedding day and it was too muddy for people to get home, so they danced all night long at the Ranch. Hilda Smith, who still lives in Chester, stood up for them at their wedding.

They lived and ranched on the original Keith homestead until 1954, then sold the place to Ken Tempel. In addition, Dodds was elected as Liberty County Sheriff in 1926, and he kept that job until his retirement in 1962. At that time they moved to Great Falls, where they lived at 1621 - 1st Avenue North. After 66 years of marriage, Dodds died in Great Falls on May 22nd, 1979. Pearl has lived alone since, although has kept in contact with her many friends in the Chester community. Pearl’s health had slowly deteriorated this past year, and on Sunday evening (August 28th) she died at the Deaconess Hospital in Great Falls. She was 89 years old.

While living in Chester, Pearl had been active in the Methodist Church and Ladies Circle. She was a past matron of the Eastern Star, Joplin Chapter #109. After their move to Great Falls, she became a member of the Daughters of the Nile and White Shrine. She and Dodds were also members of the Meadowlark Country Club in Great Falls. Pearl loved her home, and was a wonderful cook and housekeeper. For hobbies she collected cut glass and antique dishes. She always had a nice flower garden and enjoyed knitting (in fact, she had knitted many sweaters for the Red Cross during the war years). She was very good at ceramics and china painting, and enjoyed watching or listening to a good baseball game. In those early years on the farm, she helped her mother-in-law deliver many babies in this area. Because of her great love for animals, a memorial fund will be established to the Great Falls Humane Society.

BLANCHE MATHILDA LAKE
Born: October 2, 1891 - Died: July 18, 1983
Liberty County Times
July 28, 1983

Blanche Mathilda Lake was born in Halstad, Minnesota on October 2nd, 1891. Her parents were Gust and Anne (Nordness) Lake, and she was one of five children. Blanche was baptized and confirmed Lutheran and attended schools in Ulen, Minnesota. At age 17 she went to Chicago where she attended seamstress school for approximately 2 years. In 1913 her family filed homestead claims in Montana and they came there the following year to “prove up” the claims. Blanche’s homestead was located 32 miles north of Joplin. Those early years were tough, so she worked various jobs along the hi-line to keep the homestead going; she worked as a waitress at the Park Hotel in Hingham, she was employed in several homes as a housekeeper, and served as a chamber maid at the old Chinook Hotel. In 1915 Blanche helped manage the Plant Restaurant in Joplin. Her father died in 1927, so she and brother George continued the farming/ranching operations. Her mother died in 1952 and Blanche continued to farm until 1963 when she sold the place to Bob. Since that time she has lived and maintained her own home in Joplin. She has been very active these past 20 years, either with hobbies or club involvements. She was a member of Bethel Church and the ALCW, and seldom missed Tuesday quilting days at the church. Blanche was a long-time member of the Chester V.F.W. Auxiliary, the Liberty County Democrats, and the Hospital Guild. More recently she was involved in the W.I.F.E. organization where she had served as the recorder and scrapbook historian. She had been featured in the W.I.F.E. magazine as the oldest member in the chapter. Blanche was also involved in Senior Citizen’s activities and was chosen as the Liberty County “Wheat Queen” in the 1979 Harvest Festival. Her patchwork and sewing talents were well-known. She also enjoyed gardening and flowers. Blanche loved children and she loved to visit. Her secret to a long life was not to dwell on the past, but to look at the future... and that was why she was always willing to “get out and go” whenever she had the chance. In fact, just the week before her death she was at a Democratic meeting where she fell and broke her hip. She died at the Chester Hospital on Monday morning, July 18th, at the age of 91 years.

Survivors include her son and daughter-in-law, Robert and Judy of Joplin; 3 grandchildren, Jim of Valier, Crystal of Missoula, and Robin of Spokane; 1 great-grandson Travis; and numerous cousins. Blanche was preceded in death not only by her parents, but by 1 sister (Pearl) and 3 brothers (Hjalmer, Martin, and George).

Funeral held for Mary Mersinger

Mary Lou Anna Kenny was born in Monkland, Oregon on August 18th, 1892. She was one of ten children born to Lou Zena Belshe and William Kenny. In 1904 the family headed to Canada via covered wagon, and settled in the Trochu, Alberta community. It was near there that Mary finished her education through grade 8 at the Arthurville School. She remained with her family and helped with the farming operations until 1911, when they moved to northern Idaho. She married Clarence M. Mersinger at Sandpoint on December 16th, 1918. Memorial services for Perry Oakley, the first Liberty County Treasurer, were held in Scottsdale, Arizona Friday, March 19. Memorial services were also held in Superior, Montana, March 25.

Born on a tree farm in Randolph, Nebraska, he spent his early years there and in Honey Creek, and Council Bluffs, Iowa.

He came to what is now Liberty County with the family in the early 1900’s by emigrant train and homesteaded south of Chester. With the formation of Liberty County in 1920 he became the first county treasurer. Thereafter he served for several years as county clerk and recorder.

June 27, 1928 he was married to Verna French of Superior, Montana, who was a commercial teacher in Chester. They later moved to Superior and managed a dairy for a number of years.

His wife Verna survives as do three children:

Perry Eugene Oakley of Moses Lake, Washington; Donna Allen and Verle Jeanette Johnson of Missoula. There are also five grandchildren and five great grandchildren.

He had six brothers and sisters, all of whom have passed away, but most of whom were well known in the Chester area; Ruth Oakley, Eva Oakley-Witt, Blanche Oakley-Hutchison, Merle Oakley and Leslie Oakley.

Until the past few years when heart and circulatory problems arose, Perry was always very keen of mind and was well versed in government and financial subjects. In the early 20’s he wrote a story about our monetary system entitled “What we have and what we should have”. One wonders at his keen foresight at that time and age.

Perry passed away in Scottsdale, Arizona on March 15, 1983 at the age of 93. He didn’t quite make his wish to live to be 100. Cremation took place and the memorial services were held.

Adeline E. Seuser

Born: July 18, 1912 - Died: December 7, 1983

Liberty County Times
January 12, 1984

Adeline was a true helpmate to Vic, working side by side with him as they farmed and raised cattle together. She was a loving mother who shared her daughters’ triumphs as well as their disappointments. Steve and Laura’s move to this community was such a blessing to her and it gave her such joy to have her grandsons near her.

Adeline was an active member of the Minnesota Friendly Club and the Pioneer Club. She was always supportive of any school activity, maybe especially the sports events. Many winter nights she and Louise spent traveling to basketball games or wrestling matches in towns throughout the division, cheering “her boys.” One award that she treasured was the beaded “friendship” necklace that the Hays-Lodgepole school gave her because of her consistent caring and friendship to their young people.

Adeline was selected as the first recipient of the Hill County “Leader of the Year” award and for 35 years of faithful leadership in 4-H. She helped organize the Lonesome Prairie 4-H in Rudyard. For many years she was active in the county 4-H council and the Friends of the Library. She was superintendent of the Ag. Building at the Fair for more than 15 years.

Fair projects, record books, Daily 4, Dress Revue, demonstrations and National Report Forms, whatever her 4-Hers were struggling with, she was hauling their stuff, making sure they had the materials and support they needed.

Adeline saw the worth in each young person and was willing to spend however many hours it took to help them with the task facing them. With her high standards of conduct she taught them to win or to lose, each with good grace, whether on the basketball court or in the show ring.

Adeline made many investments and became very wealthy. She invested large amounts of time, physical energy and caring in the lives of her 4-Hers and the students of the Rudyard and Blue Sky schools. She was rich beyond measure in the love and respect given her by two generations of her boys and girls.

Builders using bricks and mortar erect structures. Adeline was a builder of character, a mason that used bricks marked “self-confidence,” “hard work,” and “fair play”; the mortar she used was love. Her construction was the kind that mattered most, for it will be a benchmark in this community to generations yet unborn. Adeline Seuser, mother, friend, builder, leader, example.

In her 35 years as a 4-H Leader, nearly 200 boys and girls belonged to her clubs and were influenced by her high standards of excellence in their projects as well as their characters. Adeline always expected more of each child than that individual realized he could accomplish. But with constant interest, pats on the back as well as a shove in the right direction they found themselves wanting to live up to her goals for them. She had faith in each child; her oft repeated saying “You can do it” encouraged each to try his best. Because of this, her Chirping Meadowlarks 4-H club won a large percentage of county and State awards.

No distance was too great, no day too long for Adeline to be with her boys and girls when they might need her. From the little first year 4-Her going off to camp, to the teenagers going to Congress, each could count on Adeline to be there smiling and encouraging.

She had a "green thumb" and gave tender loving care to her house plants & ferns. Gert also did crocheting & tatting handiwork, and she liked to play cards (especially pinochle). In her quiet hours she enjoyed reading a good book or watching TV. Although Gert never had any children, she had a loyal family of nephews & nieces to fill that void. She always remembered birthdays, anniversaries, & other special occasions, and her family will never forget her kindheartedness & generosity. Gert was a very happy person - she enjoyed people and life in general - but most of all she enjoyed her loyal friend & constant companion, Fred.

MATH THIELTGES

Math Thieltges, 97, born to earthly life October 16, 1885 to John and Helen Adams Thieltges in Feuerscheid, Germany. Born to eternal life January 9, 1983 when he passed away Sunday 9:10 a.m. at the Liberty County Hospital due to a stroke. Math worked on the family farm until the fall of 1906 when he went for his training in the army. He was assigned to the 69th regiment. In his second year Math was a servant chosen by an Army Officer. In 1908 after completing the full two years Math was honorably discharged and returned home to help on the farm. In 1911 Math left his native land for America. He worked that summer in Minnesota and in the fall of 1911 Math left for Saskatchewan, Canada. After working at various jobs in Canada he heard of the great opportunities in Montana. On March 19, 1912 Math bought lumber at Chester Lumber Company and got the necessary material to build his 12 x 14 foot two room homestead shack. Like any of the homesteaders will tell you, it was tough going many times. There was very little money and only the bare essentials.

Math proved to be a very successful farmer and over the years was able to help many others to get started in the farming business. He also was the instigator and first generous donor for the new hospital and Sweetgrass Lodge here in Chester.

Math married Julia Morkrid in 1917, who was a neighboring homesteader. Preceding him in death was his wife, Julia, his parents, his five brothers and two sisters. Rosary was recited at 7:00 p.m. Monday with funeral services Tuesday the 11th at 10:00 a.m. at St. Mary's Catholic Church in Chester. Attending Con-celebrants were Bishop Eldon Schuster, Father John Coady and Father Conan Mulrooney. Burial followed at the Chester Cemetery. Rockman Funeral Home was in charge of the arrangements. Pallbearers included Carl Brown, Bill Fraser, Alfred Hanson, Senator Allen Kolstad, Oliver Morkrid and Darby O'Brien. Honorary Pallbearers were all Math's Friends. Ushers were Leonard Streit and Lawrence Schaefer, music by St. Mary's Choir. Math left a wish that any memorial be given to the Sweetgrass Retirement Home.

Math was born in Trier, Germany which is near the Rhine Valley. He had five brothers and two sisters. They were raised on the family farm. Math worked on the farm until the fall of 1906 when he went for his training in the Army. He was assigned to the 69th Regiment. This was a training career program and preparedness in case of an emergency. In his second year Math was a servant chosen by an Army Officer. In 1908 after completing the full two years Math was honorably discharged and returned home to help out on the farm, his father had passed away and he felt needed. He spent the next three years on the farm. In 1911 Math felt the urge to go to America. He was the only one in his immediate family to venture out so far.

He was 26 years old now, his brother Nick walked 10 miles with Math on the day that he left to help carry his suitcase to another village which took 3 hours to get his train and head North West to Amsterdam. The snow was about 10 inches deep, so difficult walking. Math left home with only 100 Mark which is equivalent to $25.00 in American money and only speaking the German language.

They arrived an hour before the train left so Math and his brother had a little more time to visit before his departure. January 7 Math left Amsterdam on the Olympic Ship to sail across the Atlantic Ocean. There was great excitement, the band played and many to see their loved ones off. It took 12 days to sail to America. 12 of these Math says he was seasick. He spent a lot of his time while sailing trying to memorize many practical words and short sentences from his German-English dictionary. On January 19, 1911 the Olympic docked at their destination at New York City. Math hoped now for a new and more successful life in the United States. Math says he walked to a hotel nearby, got a cheap room, closed his door and really felt so all alone in this new country. The next day Math along with some fellows he had gotten acquainted with on the ship toured New York City. Math stayed in New York for five days. Then left by train heading for his Uncle's farm home in Minnesota. Since it was winter there wasn't work to be found until a neighbor man became ill and hired Math to do chores for him for his room and board. Math worked here until March and then got a job on another farm for $35.00 a month. He says the work here was so different from that in Germany.
In the fall of 1911 Math left for Saskatchewan, Canada. He could get twice the salary there he was told that he could in Minnesota. Math saved all the money he could and on December 3, 1911, a cold front set in and again no work. He then got a ride to Edmonton. He worked there at the Strat-Cona Beer Co. He worked for the manager of the Co. for $25.00 a month and room and boarded with him.

While in Canada Math met Mr. Ike Diemert from Liberty County. Ike told Math of the great land opportunities there. In the summer of 1912 Math bought a train ticket from Carmengay, Alberta to Chester. Before the train pulled out Math told of two old German men at the depot who asked Math to run down to the corner saloon to get each a beer. In the meantime Math missed the train and ended up walking 36 miles on the rails to get a train to Lethbridge. This took Math about 10 hours to walk. He finally got his train to Chester by way of Shelby. When he got to Chester he contacted the land locator. He could buy a relinquishment place for $400.00. Math paid $200.00 down and this was his first land. This is his original homestead.

Math returned to Canada to work on the railroad until he had enough money to buy a couple horses and a wagon. He arrives back at Chester March 19, 1912, bought lumber at Chester Lumber Co. and got the necessary material to build his 12 x 14 foot two room homestead shack. This was a home well earned and he appreciated every thing he came by. Like any of the homesteaders will tell you it was tough going many a time, very little money and only the bare essentials. Math says his first winter in Montana was very long and lonely. Math married Julia Morkrid in 1917 who was a neighbor homesteader. He said she owned a buggy before he did so they had transportation.

Funeral held for David Ward, 44

A 44-year-old Missoula man flying from Missoula to Rock Springs, Wyoming, crashed his single-engine airplane into a snow-covered mountain peak near Alpine Junction and died, authorities said.

David Ward apparently was killed in the crash, but an autopsy was being performed Wednesday to determine the cause of death, Lincoln County Sheriff Deb. Wolfley said.

Ward's body was recovered from the peak at 7 a.m. Wednesday. Wolfley said Ward was the only person in the plane.

A search began when Ward failed to show up in Rock Springs at noon Tuesday.

Wolfley said a C-130 search plane flown by an Air Force crew from Utah spotted the wreckage of the Piper P-28 about 5 p.m. near the top of a peak about two miles northeast of Alpine Junction, just inside Wyoming's far western border.

Two members of the Grand Teton Mountain Team and Teton County Sheriff Roger Millward scaled the peak and found Ward dead. They stayed on the mountain all night and helped get the body out by helicopter the next morning, Wolfley said.

The sheriff said there was no word on a possible cause of the crash.

Investigators from the Federal Aviation Administration and National Transportation Board were to begin their probe Wednesday. Wolfley said they would fly to the crash site by helicopter.

Ward, a Montana native, was born on December 28, 1938, in Chester, the son of Hazel and Gerald M. Ward. He was raised and attended schools in Chester.

He entered the U.S. Navy, and after receiving his discharge, he returned to Chester for four years. He then moved to Missoula and began working for 4-G Plumbing & Heating as a heavy-equipment operator.

Liberty County Times
June 2, 1983

Catherine Kristina Heimbigner was born on October 20th, 1908 in Ritzville, Washington. She was the youngest of three children born to Jacob & Katy (Greenwalt) Heimbigner. Rena came to Montana as a child. Her mother homesteaded southwest of Chester. Rena attended the Prairie Rose country school near the farm, and then attended one year of high school in Lothair. In the few years that followed she worked in the old Grand Cafe in Chester. On March 1, 1931 she married Roy F. Zorn in Joplin. They made their home north of Chester where Roy farmed the Fred Stage place. Several years later they moved into Chester. In 1941 they purchased "Pappy's Bar" (Pappy" was Roy's nickname), and they ran it until Roy's death in 1957. Rena continued to manage the bar alone until the early 1960's, then sold it. She has maintained and lived in her own home since, and has worked various jobs around Chester. She was a hard worker, even up until her last days. Rena's health has been relatively good over the years, but she suffered a hard emotional jolt this past April 25th at the death of her youngest son, Buzz. This past Monday morning (May 23rd) she was found unresponsive at home and was pronounced dead at the Chester Hospital. She was 74½ years old.

Rena was a charter member of the Royal Neighbor's of America (Chester's Wild Rose Camp) and her membership dated back to 1926. She was also a member of Our Savior's Lutheran Church and the Lydia Circle. As everyone knows, Rena was an avid sports fan. She has been loyal to high school sports since the days her boys first participated. She had no hobbies per se, but enjoyed puttering in her yard or driving around Chester, the town she loved. Rena was a loyal family person, and she lived her life for Dale and Buzz.

She is survived by 1 son, Dale of Shelby; 1 brother, Benny Heimbigner of Chester; 1 sister, Annie Lobe of Wenatchee, Washington; 2 half-brothers, Larry Bassett of Chester and Richard Bassett of Denver, Colorado; 6 grandchildren (including Leanne O'Malley, Wendy Ihde, and Dean, Donald, Bob and Dan Zorn); 2 great-grandsons (Derek and Brandon Ihde); and numerous nephews and nieces. Active pallbearers included Joe Seiditz, George Braun, Cliff Hanson, Bob Aitken, Doug Bussell and Darby O'Brien. Burial was in the Chester Cemetery and a luncheon followed at the R.N.A. Hall. DELANOR DEAN ZORN

Liberty County Times
May 5, 1983

DELANOR DEAN ZORN

Delanor Dean Zorn was one of two children born to Roy F. and Catherine (Haimbigner) Zorn. His family had been in the community for many years; his grandparents on both sides were early day "homesteaders." Buzz was born at the Mary Buck Hospital in Chester on March 7th, 1940. He attended the Chester Public School System, graduating from high school in 1958. Buzz earned a unique award - probably one of a kind - for perfect attendance during all 12 years of school here in Chester. He was active in high school athletics and participated in basketball and football. He also played the clarinet in the high school band for six years. Following graduation, Buzz attended Northern Montana College in Havre for a year. He was later drafted into the military and served in the U.S. Army until 1963, and then he returned to Chester. For the next five years Buzz worked at the old Keith Conoco Station. November 21st, 1964 he married Alpha Johnson in Idaho. They made their home in Chester and the product of their marriage was two sons. In 1967 Buzz took a job with the Town of Chester on the city crew. He worked for the city until 1981, and since then has done odd jobs around town. Buzz was stricken at home on the evening of Monday, April 25th. He was rushed to the Liberty County Hospital where resuscitation measures were to no avail. He died at the age of 43 years.

Buzz had been a long-time and loyal member of the Chester Volunteer Fire Department. He was also active in the American Legion and was one of the first ready to serve in the color guard at parades, Memorial Day celebrations, and funeral rites. In his younger years he enjoyed hunting and fishing, and in more recent years he was an avid and excellent bowler. Up until the last few years he had been a regular softball umpire at the Chester Sports Complex. Buzz was one of the charter members of the Liberty Leaners Horseshoe Club and always fared well at horseshoe tournaments. And, as everyone knows, Buzz was a loyal Chester High School sports fan. He never missed a home game and was pretty loyal to out-of-town games, too. He especially enjoyed high school tournaments, and you could always see him there with his blue and gold booster jacket on!

Buzz is survived by his two sons, Dean of Chester and Donald of Richland, Washington; his mother, Reno of Chester; his brother, Dale of Shelby; two nephews; two nieces; and numerous uncles, aunts and cousins. He was preceded in death by his father in 1967.

Funeral services were held Friday morning, April 29th, at Our Savior's Lutheran Church in Chester. The Reverend Wayne Bungum officiated and Jan Christofferson served as organist. The congregation sang "How Great Thou Art," and "Beautiful Savior." Ushers were Rod Keith and Quannah Bailey. Friends serving as pallbearers included Bob Norstrom, Bob Aitken, Allan Standiford, Bing Furlong, Dennis Snyder and Paul Overlie. Honorary bearers were members of the Chester American Legion and V.F.W. Following military rites at the Chester Cemetery, a luncheon by the Royal Neighbors was given at the R.N.A. Hall. Funeral arrangements were by Rockman Chapel.
