Howard Vincent Alley was born December 6th, 1901 at Oxford, Kansas. He was the eldest of 11 children born to Clara Ann Barnes and Claude Alley. Howard grew up in Kansas and attended school in Oxford. Following high school he registered at the Vo-Tech school at Manhattan, Kansas where he studied husbandry. For the next few years he worked in the Kansas oil fields. Howard married Ellen Keith in 1922 in Kansas. They moved to Montana in 1929. Howard worked on the road-building crews in Liberty County and helped farm the S.O. Shamey place near Joplin. In 1935 he began working for Hank Kolstad at the Chester John Deere Company in implement sales and delivery. In 1945 they moved to Conrad where Howard continued working in the John Deere implement business until his retirement in the early 1970's. In those few years following, he worked on the Richard O'Brien farm near Conrad and also as a dispatcher at the Pondera County Sheriff's Office. Ellen died in 1975. Howard married Mary Kirk in 1978 at Conrad. They lived together in Conrad until Mary's death in the early 1980's. Howard moved to Texas in 1987 to be near his son, and while there he met and married Estelle Rains. This marriage ended in divorce. Howard continued to live in Texas until his health began failing, when he came back to Montana. He has lived with his daughter in Inverness since September of 1990. Howard liked to do craft and woodworking projects. Of interest was the fact that he learned to play the guitar at age 80, and then became a member of the Horizon Lodge band in Conrad. Howard liked to stay active, which probably attributed to his youthful appearance and good health over the years...

Grandsons serving as pallbearers included Duane and David Alley, Earl Harri man, and Rob, Daren, Marlin and Grady Moog. Following the cemetery rites, a luncheon was held at the R.N.A. The Twenty-Third Psalm

The Lord is my Shepherd: I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me: thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
Thou anointest my head with oil:
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life: and I will
dwell in the house of the Lord for ever.

Harold had been a longtime member of the Chester Rotary Club and had served on the board of the Liberty County Development Corporation. In years past he was a City Councilman and acting mayor; he was proud to have been instrumental in getting a quality water system installed at Chester. Harold loved Chester and the people here, and thought it was a great place to raise his son and run a business. He enjoyed his yearly train trips back to Wisconsin to reminisce with family and friends. In those younger years in Wisconsin, Harold played the trumpet in the Wilton town band. His musical talents continued into his later years as he enjoyed experimenting on the piano. During his quiet hours at home, Harold liked to watch baseball games on television. When he wasn’t working he enjoyed gardening, hunting and fishing. Several years ago the Denter family opened a bait shop, which became a popular place to Lake Elwell fishermen. Harold enjoyed selling bait and visiting with the customers. Harold was fortunate to have his son and family work with him all these years, and he became affectionately known to them as “Pappy”.

Harold is survived by his son and daughter-in-law, Dallas and Millie of Chester; two grandchildren, Denise and Dean; three brothers, Harvey of Preston, Iowa and Cornwall and Mahlon of Wilton, Wisconsin; one sister, Esther Huschka of Kendall, Wisconsin; and numerous nephews and nieces. Albert Valentine Diemert was born in Wales, North Dakota on February 7th, 1909. He was one of seven children born to Theresa Alt and Anthony Diemert. When he was just a week old, Albert was baptized on St. Valentine's Day, and was consequently given the middle name "Valentine." Albert grew up at Walhalla, North Dakota and received his formal education there. When he was 21 years old, Albert married Dorothy E. White at Walhalla and they had a son named Alvin. The marriage ended in separation in 1935. That same year Albert came to Lothair, Montana to work on a farm for his uncle, Ike Diemert. A few years later he purchased a half-section near the Diemert farm, and continued to work and share-crop there in the years to follow. During the outbreak of WWII Albert was drafted into the U.S. Army in 1942. He served in North Africa, and Ireland. Following his honorable discharge, Albert returned to Montana and continued farming at Lothair. In about 1950 he bought a small house in Chester and moved to town. He worked at Thielman Implement until he retired in the 1970's. Albert continued to farm until 1982, when he leased out his land, and then put it into C.R.P. in 1987. His health remained good over the years, but he was diagnosed with cancer about a year ago. In December of 1990 he went to Minneapolis, Minnesota to receive treatment at the Veterans Hospital there and to be near his son. He eventually moved to a nursing home in New Brighton, Minnesota where he died on the afternoon of Monday, February 11th. He was 82 years old.

Albert held membership at St. Mary's Church and the V.F.W. Post in Chester. In his younger years he enjoyed hunting and fishing. After moving to Chester he always raised a big vegetable garden each year and always shared his fresh produce with friends and relatives. He enjoyed playing cards and was a 'regular' at the local pan game for many years. Albert also liked to travel and had made numerous winter trips to Texas and Mexico in years gone by. More recently, he enjoyed traveling to Minnesota and North Dakota, and throughout Montana.

Albert is survived by his son and daughter-in-law, Alvin and Betty Diemert of Lino Lakes, Minnesota; by five grandchildren, including Candace, Dorinda, Everett, Fonda, and Gail; by six great-grandchildren; and by numerous nephews, nieces and cousins. He was proceeded in death by his parents, five brothers, and one sister. Albert was always considered to be a "special uncle" to the Clark Diemert children, as he helped raise them when they were growing up on the farm near Lothair...

Funeral wake services were held at 7:30 p.m. Wednesday, February 13th, at the Enge Memorial Chapel in Minneapolis. Rosary prayers were recited there by Father Raymond Moorman. It was Albert's wish to be buried with his parents and siblings at Walhalla, North Dakota. Graveside services were conducted there by Father Alfred Allmaras on Saturday morning, February 16th, 10:30 a.m. at the St. Boniface Catholic Cemetery. Military rites were provided by the Walhalla V.F.W. Post. A memorial mass was celebrated by Father Tom Harney at St. Mary's Catholic Church in Chester on Sunday, February 17th, 10:30 a.m. Funeral arrangements were organized by Rockman Chapel, Chester. Footprints in the sand...

One night I had a dream. I was walking along the beach with the Lord, and across the skies flashed scenes from my life. In each scene I noticed two sets of footprints in the sand. One was mine, and one was the Lord's. When the last scene of my life appeared before me, I looked back at the footprints in the sand, and to my surprise I noticed that many times along the path of my life there was only one set of footprints. And I noticed that it was at the lowest and saddest times in my life. I asked the Lord about it: "Lord, you said that once I decided to follow you, you would walk with me all the way. But I notice that during the most troublesome times in my life there is only one set of footprints. I don't understand why you left my side when I needed you most." The Lord said: "My precious child, I never left you during your time of trial. Where you see only one set of footprints, I was carrying you.

Liberty County Times
February 13, 1991

Lilly was a charter member of the Chester V.F.W. Auxiliary and had been a member of the Royal Neighbors of America dating back to 1939. She also held membership in the Montana Library Association from 1951-1990. In addition, she helped form the Broken Mountains Genealogical Society and was a supporter and patron of the Chester Garden Club. In 1976 Lilly designed the Liberty County flag for the bi-centennial; Maxine Ward did the needle-work on that original flag, which is still on display at the county library. In more recent years Lilly enjoyed her involvement with the Milk River Good Sam Club and she always looked forward to attending the annual Sweetgrass Hills Family Camp.

Lilly had numerous hobbies. She loved to read, and always encouraged the younger people to read. She personally took several telecon continuing education courses through the library system. Lilly enjoyed gardening, flowers and houseplants (in fact, a lot of the green plants at the library were originally started by Lilly). When her kids were young, she did a lot of sewing and mending. She enjoyed working crossword puzzles and playing Scrabble. She was a good cook, and her family has fond memories of her wonderful breads and her delicious cornbread and beans. Lilly was always generous to her family and friends, and she enjoyed her many contacts with her church family.

Lilly had cancer that ravished her physical body, but it couldn’t destroy her undying faith. She was given a poem that she shared with her family and friends. The poem is entitled “What Cancer Can’t Do”, by author unknown:

Cancer is so limited,
It cannot cripple love,
It cannot shatter hope,
It cannot corrode faith,
It cannot eat away peace,
It cannot destroy confidence,
It cannot kill friendship,
It cannot shut out memories,
It cannot silence courage,
It cannot invade the soul,
It cannot reduce eternal life,
It cannot quench the Spirit,
It cannot lessen the power of the resurrection.

Lilly’s survivors include her four children, Alene & Gala Christenof of Virginia Beach, Virginia, Neal & Pat Eveland of Chester, Ardaess & Charles Connel of Alamogordo, New Mexico, and Ardell & Philip Kruthoff of Billings; eight grandchildren, including Corene, Sabra, Keith, Kris, Kevin, Robert, Kathryn and Karalyn; her former husband, Howard of Chester; two sisters, Ina Belle (“Kitty”) Foreman of La Habra, California, and Alice Morrison of Chester; four brothers, Russell (“Bing”) Furlong of Chester, Phillip Furlong of Denver, Colorado, Warren (“Irish”) Furlong of Spokane, Washington, and Noel Furlong of Kalispell; three aunts; and numerous nephews and nieces. She was preceded in death by her parents and three brothers (Edmond, Miles and David Furlong).

Funeral services were held at the Chester United Methodist Church on Monday, February 11th, at 11:00 a.m. Reverend Chuck Nowlen and Reverend Charles Hanson officiated. The congregation sang “Be Thou My Vision”, accompanied by Gail Ocon. One of Lily’s favorite songs, “Whispering Hope”, was performed by the vocal duet of Rudy Iacon and Dennis Kenfield. A male quartette consisting of Garth Good, Orville Solum, Mark Zerbe and John Hofer sang “In the Sweet Bye and Bye”, accompanied by Edith Hodges. Old friends and classmates serving as pallbearers and ushers included Adan Ward, Delmar Wolfe, Bob Wigen, Harley-Rudolph, Cliff Lybeck, Don Martin, Darby O’Brien, Arlo Skari, Jennings Mattson, Joe Gagnon, Max Brown, Narciss Gagnon and Neil Shepherd. Plane crash kills Fort Benton couple

—From the Great Falls Tribune

A Fort Benton couple died in a single-engine plane crash whose wreckage was discovered Monday morning near Rogers Pass, authorities said.

Lewis and Clark County Coroner M.E. "Mickey" Nelson identified the husband and wife as 64-year-old James Alfred Gottfried, the pilot of the craft, and 65-year-old Mora Erickson Gottfried.

The plane barely missed clearing a ridge overlooking the pass Sunday evening, Lewis and Clark County Sheriff Chuck O'Reilly said.

"Had they had another 75 feet of elevation, they would have cleared it," said O'Reilly, who was with a search and rescue crew that arrived at the site Monday morning.

The two bodies were recovered from the wreckage just southeast of the pass, which crosses the Continental Divide about 20 miles east of Lincoln. Nelson said they were the only people on board and were killed on impact.

The pilot had filed a flight plan to fly from St. Ignatius to Lincoln to Fort Benton, O'Reilly said. The Gottfried family farm is north of Fort Benton.

O'Reilly said two hunters in the area said they saw a plane between 5:30 p.m. and 6 p.m. Sunday and thought it was flying too low. It was foggy in the area at that time, he said.

The hunters did not see or hear the crash, and Lewis and Clark County authorities were notified of the downed plane at 10:30 p.m., O'Reilly said. Sheriff's officers and county search and rescue crews were out all night, he said.

The wreckage was spotted from the air at about 7:15 a.m. by state Aeronautics Division Administrator Mike Ferguson, who was searching the area by air.

A helicopter crew from Malmstrom Air Force Detachment 5 Air Rescue Squadron, however, was the first to land and search the scene.

O'Reilly said the wings were still attached to the plane, but that it had flipped over and was badly damaged. Federal investigators should be on the scene no later than Tuesday, he said.

Benton Funeral Home in Fort Benton is handling the funeral arrangements.

Hattie Z. Bradbury was born in Alexandria, Minnesota on June 18th, 1904. She was one of nine children born to Augusta Palmatier and Edward Bradbury. When she was an infant, her parents went to Canada and homesteaded in Alberta. They came to Montana in 1910, and her father and brother filed homesteads north of Rudyard. Hattie grew up on the family farm near Rudyard and attended school there. She was a member of the first graduating class of Rudyard High School in 1923. She then attended college in Havre and received her teaching certificate. In the few years that followed, Hattie taught at the Brennan & Een country schools. She was teaching school in the Minnesota community north of Inverness when she met her husband-to-be, Fritiof A. Gustafson. They were married in Havre on November 10th, 1928. Fritiof helped on his father's farm for several years and Hattie continued teaching at the Lothair School. In 1935 they purchased a farm 15 miles north of Rudyard and made their home there during the rest of their married life. Fritiof died in 1970. Hattie remained on the farm until 1990, when declining health took her to the Liberty County Nursing Home in Chester. She died at the Chester hospital on Sunday evening, September 22nd, at the age of 87 years...

Hattie was a longtime member of the Goldstone Lutheran Church north of Rudyard. She enjoyed many of the simple things in life, like the pure pleasure of working in her garden. She had one of the most beautiful tulip beds in the country and supplied flowers to her friends and relatives at the Liberty County Nursing Home for years. Hattie was an excellent seamstress and she did meticulous fanciwork (crocheting and embroidery). Although Hattie and Fritiof had no children, they enjoyed their family and friends. They made several memorable trips together and enjoyed the quiet solitude of fishing on Flathead Lake. Of interest was the fact that Hattie played the organ, but privately. She will be remembered as a gentle, kind and generous lady. Her generosity is best exemplified by her unselfish funding of the Gustafson Medical Scholarship, which was established in 1983. Hattie wanted to perpetuate medical care in the Hi-Line community, so she established this scholarship fund to assist students in Liberty and Hill County who were seeking careers in the medical sciences. Many area students have received financial assistance from this fund, which will continue to "live on" even though Hattie's gone...

Hattie's only survivors include a brother, Ben Bradbury of Havre, and numerous nephews and nieces. She was preceded in death not only by her husband and parents, but also by three sisters (Jessie, Myrtle and Edna) and by four brothers (Elmer, Theodore, Clint and Henry).

Memorial gifts will be given to the Gustafson Medical Scholarship, to the Liberty County Hospital in Chester, or to donor's choice...

Harold Hodges

Harold Hodges was born at Highriver, Alberta, Canada on December 26th, 1908. He was one of six children born to Catherine John and James Hodges. The family lived in Illinois for a few years before coming to Montana in 1913. They began farming a relinquished homestead near Joplin, and Harold received his education at the Tingdahl School near there. In the late 1920's Harold went to Chicago to attend a welding school, and while there worked for a power distribution company. He returned to Montana and took a construction job at the Fort Peck Dam. While there he met his bride-to-be, Ruth A. Folden, and they were married in McCone County, Montana on December 8th, 1934. The following year they returned to the Joplin community, where they continued to live and work the rest of their married life. In addition to farming, Harold worked as a mechanic, carpenter, electrician, and also sharpened saws and blades. In 1958 he started a grain seed-cleaning business, which the family still operates. Harold retired in 1971, but continued to live on the farm. His health remained relatively good over the years. On this past Wednesday night, June 12th, he became ill at home and subsequently died at the Liberty County Hospital in Chester. Harold was 82 years old.

The Hodges were active members of the Immanuel Lutheran Church, where Harold had served as council president and treasurer. He had also served on the Tingdahl and Joplin School boards, the A.S.C. and S.C.S. boards, the Liberty County Hospital board, and the Senior Citizen's Council. Harold had also worked as an election judge, a 4-H leader, and school bus driver.

Harold's hobbies were many. He was an avid reader; he read just about everything, but was especially fond of biographies and histories. He collected caps and enjoyed playing pinochle and whist. In addition to farming and mechanics, he loved wood-working projects. He and Ruth liked to travel and spend time with people. Harold loved kids and enjoyed being "Grandpa" to any and all children (from Joplin to Haiti). He felt kids deserved special attention and affection, and he always tried to be sensitive to their needs. He was also conscientious about helping his friends and neighbors whenever he could. He enjoyed life and was very satisfied with his role here on earth...

Harold is survived by his wife, Ruth of Joplin; by four sons and their spouses, Ron and Betty of Everett, Washington, Wayne and Edi of Joplin and Akutan, Alaska, Willis and Elaine of Joplin, and Leroy and Carolyne of Newberg, Oregon; by a daughter and her husband, Midge and Ed Hippen of Buffalo Center, Iowa; 16 grandchildren; nine great-grandchildren; one brother, Eugene of Kalispell; one sister, Maude Skari of Chester; and by numerous nephews and nieces. WILLIAM RAYMOND HUNTER  
Liberty County Times  
April 3, 1991

Willy Hunter

William Raymond Hunter, Jr. was born on April 2nd, 1971 in Livingston, Montana. He was the eldest of two children born to Kay Diemert and William Hunter. He became affectionately known by family and friends as "Willy." Willy grew up in Livingston and received his education there. He graduated from Park County High School in 1990. He was presently a student at Jamestown College in Jamestown, North Dakota where he had received a track scholarship for highjumping. This past weekend he and his roommate went to Turner Montana to attend a friend's wedding. On early Saturday morning (March 23rd) he was involved in a single vehicle accident near Turner and he died from resulting injuries.

Willy Hunter

Willy would have been 20 years old next month...

Willy had been very active at Park County High. He participated in football, track, cross-country, basketball and choir. He was very proud of the fact that he was the only senior in the class of '90 to have lettered in three sports that year: football, basketball and track. In addition, he placed second in the high-jump at the State Track Meet (he jumped the same height as the winner, 6'4", but was awarded second place on the basis of the number of misses). During his junior year at Park High he was selected as the Montana Centennial Exchange Student and was delegated to Boy's State.

Willy loved music of all kinds. Because of personal interest he began taking piano lessons at age 15. He had always been a fierce competitor when it came to sports, and this probably dated back to his younger years when he had been active in the A.A.U. wrestling program. His favorite pasttimes included skiing and playing basketball, but he also enjoyed golfing and floating the river. Willy was an avid fan of the N.B.A. and kept a yearly update on player trades and new recruits, and then implemented this information into a fantasy basketball game that he invented. He had other hobbies, too, like adding to his collection of baseball cards and shot glasses. But probably his favorite thing in life was simply enjoying those special times with family and friends...

Willy's parents are both involved in the medical profession, so it seemed reasonable for him to have similar interests. He was attending Jamestown College with plans to become a nurse anesthetist.

Willy is survived by his parents, Bill and Kay of Livingston; his sister, Lynnell, also of Livingston; a maternal grandmother, Nellie Diemert of Lothair; a paternal grandfather, Raymond Hunter of Livingston; and numerous aunts, uncles and cousins. Willy was preceded in death by a maternal grandfather, Clark Diemert, and a paternal grandmother, Ruth Hunter.

Because of Willy's love for athletics, a memorial fund will be established in his name at the First National Park Bank of Livingston. These monies will help supplement expenses for indigent athletes attending tournaments/events out-of-town.

Funeral services were held at the Holbrook United Methodist Church in Livingston at 2:00 p.m. Tuesday, March 26th. Reverend Tom Boller officiated and eulogists were Willy's uncle, Rlynn Rockman, and Willy's lifelong friend, Terry Harrelson.

Three musical tributes entitled "The Gift of Love", "The Theme from Cheers", and "The Wind Beneath my Wings" were performed by former classmates. Pianist was Edie Linneweber and accompanist was Nancy Brungardt. Friends serving as pallbearers included Terry Harrelson, Bobby Nichols, Shad McKnight, Deac Guidi, Chris Early, Charlie Humphries, D.J. Gurule, Ryan Russell and Shane O'Neill. A memorial luncheon followed the services. Local funeral arrangements were by Rockman Chapel, Chester.
Lester Jensen

Lester L. Jensen was born at Lyons, Nebraska on May 5th, 1908. He was one of five children born to Ella Marie Jacobsen and Hans Christian Jensen. He was baptized and confirmed in the Lutheran faith. Lester received his early education in Nebraska, but was forced to quit school at a young age following the death of his mother. In 1929 he came to Montana where he worked on farms near Ballantine and Pompey's Pillar. June 15th, 1941 Les married Charlotte Bohl at Absarokee, Montana. In the few years that followed they lived at Ballantine, Pompey's Pillar, Laurel and Custer. In 1952 they moved to Cut Bank where Lester took a civil service job in the maintenance division at the Radar Base north of town. After the base closed in 1965, he was transferred to Great Falls, where he continued working at Malmstrom until his retirement in 1973. Les and Charlotte lived in Great Falls until October of 1990, when they moved to Chester to be near their daughter. They have resided at the Sweetgrass Lodge, but ill-health took Les to the Liberty County Nursing Home this past January. He died there on the early morning of Wednesday, March 6th, at the age of 82 years.

Our Savior's officiated. Pastor Ken Oliver from the ECNA of Great Falls assisted. Organist, Karen Stack, accompanied the congregation, who sang "How Great Thou Art". A vocal quartette made up of Pastor Dunham, Cheryl Muncy, Mike Violet and Jan Christofferson performed "The Old Rugged Cross" and "Amazing Grace". Ushers were friends Knight Dean and Sid Brandon. Pallbearers were grandsons Kevin, Jeffrey and Chris Mattson, Eric and Nolan Jensen, and Mark Smith. Following interment in the Chester Cemetery, a luncheon was held for family and friends at the Sweetgrass Lodge. Funeral arrangements were by Rockman Chapel, Chester.

EMILY JEAN OAKES SCALESE

Liberty County Times
February 6, 1991

Emily Scalese

Emily Jean Oakes was born to Anne Elizabeth Dunster and Raymond Allen Oakes at Flandreau, South Dakota January 25th, 1921. She was orphaned by age five and was raised by her grandmother, Oakes of Wadham's, New York. Emily graduated from high school at Westport, New York in 1939. She aspired to become a home economics teacher, so she began attending normal school at Plattsburg, New York.

Emily came to Montana in September of 1941 with her aunt, Corlie Dunster, who was a social studies teacher at Shelby High School. Emily finished her education at Northern Montana College in Havre that winter. In the spring of 1942 she passed her examinations and was awarded a second grade teaching certificate. That summer she took a job at the Grandview Country School north of Galata. This was war time, so she handled the ration books for the rationed items of that era. In the fall her school entered the scrap iron drive, and delivered more scrap per pupil than any other school in Montana. As a result, they won a trip to Portland to christen Montana's first liberty ship, the "Jim Bridger". So Emily and student, Lucille Cavitt Russel, made the trip to Portland in early 1943. After completing the summer term at Grandview, she took a teaching job at Kevin.

September 3rd, 1943 Emily married Thomas J. Scalese in Great Falls. In addition to ranching with Tom north of Galata, Emily began teaching at the Shelby Northside Grade School. Emily and Tom had three children: two daughters and one son. When the three kids were all in school, Emily was recruited by the Sweetgrass school district to ready their eighth grade class for high school. This took just four months, and Emily proudly followed the progress of that class through their college years. In 1959 Emily began teaching at the H.C. Davis School in Cut Bank, a job which she held until her retirement in 1985.

While in Cut Bank, she became interested in teaching students with learning disabilities. So in 1969 she went to Palo Alto, California for a year to attend the Charles Armstrong School (associated with the Slingerland Institute), which specialized in teaching those with learning disabilities. In the few years that followed, Emily headed up numerous S.L.D. seminars for teachers in Montana, Washington, Oregon, California, Utah, New York, New Hampshire and Vermont. In addition she supervised a class in the Cut Bank school system with special learning disability students, and did considerable tutoring beyond the school system.

Emily and Tom maintained a home in Cut Bank and on the ranch north of Galata. In 1988 she was diagnosed with pancreatic cancer, and her health deteriorated from that time on. Emily died on the early morning of Tuesday (January 29th) at the Glacier Memorial Nursing Home in Cut Bank. She was 70 years old.

Emily was an accomplished seamstress. She taught several girls the art of sewing, and many of them did well at the Marias Fair "dress revue". Emily also made many beautiful quilts over the years. She had been a member of the Galata American Legion Auxiliary and the Order of the Eastern Star (she twice served as Worthy Matron). She also held memberships in the Grange of New York State, Delta Kappa Gamma of the Slingerland Institute, the Sorority, and the Montana Education Association. Yvonne, Bridget and Richard Seidlitz

Yvonne born Aug 12, 1958, Bridget born Aug 2 1985
Richard born Nov 6, 1989
Died: October 24 1991
Liberty County Times
October 30, 1991

Our community was saddened to learn of the tragic automobile accident and subsequent deaths of a former Chester mother and two children. The mother, Yvonne Campros Seidlitz (age 33), and her daughter, Bridget (age 6), both died at the scene of the accident, which occurred on Highway #87 about 25 miles north of Roundup this past Thursday afternoon, October 24th. Yvonne’s three other children were flown to St. Vincent’s Hospital in Billings, where her infant son, Richard (age 23 months), died shortly after admission. The two surviving daughters, Desiree (age 7), and Sara (age 4), are in guarded condition. Yvonne and the children were en route to Shelby when the van apparently crossed the centerline and collided with two trucks. They had just left their home in Roundup about 1/2 hour earlier...

Yvonne Ann Campros was born in Chester, Montana on August 1st, 1958. Her parents were Elaine Horalek and Andrew Campros, and she was one of ten children. Yvonne was baptized, confirmed, and received her religious training at St. Mary’s Catholic Church in Chester. She attended school at Chester and graduated from C.H.S. in 1977. Following graduation, “Boni” (as she preferred to be called), began working at the Chester Tasty Freez. Sometime later she began working as a dispatcher at the Liberty County Sheriff’s Office in Chester. August 2nd, 1980 she married Richard E. Seidlitz in Chester. At that time Rick was employed as a deputy sheriff in Musselshell County, so they moved to Roundup and have lived there since. Boni continued her work as a dispatcher in Roundup and was presently employed as the dispatcher supervisor for Musselshell County.

Since moving to Roundup, the Seidlitz’ have attended church at St. Benedict’s. Boni loved to be outdoors, therefore it seems reasonable that hunting, camping, jogging and horseback riding were some of her favorite pasttimes. She was also a very artistic lady who enjoyed painting, sketching, needlepointing and rug-hooking. She also enjoyed reading. Boni was proud of the fact that she and her husband were both in law enforcement and community service. Not only was she a dedicated mother and wife, but loyal to her church and to her God. Her family finds great comfort in this...

Bridget Ann Seidlitz

Bridget Ann Seidlitz was born in Roundup, Montana on August 2nd, 1985. She was the second daughter born to Yvonne and Rick. Of special note was the fact that she was born on their wedding anniversary date. Bridget attended the Eppers preschool program and was presently in kindergarten at Central Grade School in Roundup. She loved ponies and stuffed animals. She was affectionately called “Bridge-Bridge” by her family. She was a special child in the fact that she was tender-hearted, very quiet, and seldom complained about anything. She loved to “play mother” to the three other kids.

Richard Donald Seidlitz was born in Billings, Montana on November 6th, 1989. “Ricki” was the youngest child and only son born to Yvonne and Rick. He was a typical little boy; he loved cars and trucks and other toys. This past spring the Seidlitz family took a memorable trip to Disneyland, and it was there that Ricki finally decided to learn how to walk, and he had not slowed down from that time on.

Bridget and Ricki had something in common: they were both born with cleft palates, a slight imperfection that seemed to “bond them together” and make them inseparable. They were always supportive and protective to each other, and consequently were very special siblings. Yvonne always worried about them — not only their general well-being but also about any surgeries and problems that might lie

Thelma Sundgren

Thelma Jessie Sundgren passed into Glory this past Monday at the age of 79. She was born June 26th, 1912 in Clay County, Missouri, one of four daughters born to Jessie James. Thelma came to Jesse Tapp at the age of three. Of the notorious brothers, Frank and Jesse, what interested Thelma was the fact that Thelma's grandparents had shares in the business. They settled west of Great Falls in 1919, and she moved there permanently in 1973. Although retired, they continued to remain active in the farming operations. Thelma's health was relatively good until six months ago. She recently moved to the Liberty County Nursing Home for special care.

She died peacefully early Monday morning, October 14th.

In her younger years Thelma had numerous eye surgeries with only minimal correction. She didn't let this hamper her zest for life. She had been active in the United Methodist Church, the Dorothea Circle, and had held offices in the U.M.W. organization. In addition, she taught Sunday School for a number of years and loved to read the Bible. Thelma had also been active in the R.N.A., the American Legion Auxiliary, and the Democratic Women's Club. She loved handwork like sewing, darning and crocheting (she had made many rugs, quilts, afghans, pillows, mittens and caps over the years). Even with poor eyesight, she was an immaculate homemaker and excellent cook. She enjoyed playing cards and board games. As a hobby she collected knickknacks, such as plates and salt-and-pepper shakers. Thelma had a tremendous love for music. She was an excellent pianist considering the fact that she couldn't see the sheet music; she simply memorized the notes and then played the beautiful chords. She loved to sing and dance, and encouraged her two sons to learn and appreciate music. Thelma had always been a very caring, considerate lady to her family and friends. And she had that special love for all of her grandkids.

She is survived by her husband, Swen of Chester; two sons, Harold (and wife, Marjorie) of Dickinson, North Dakota and Elvin (and wife, Janet) of Chester; seven grandchildren, including Tami, Keith, Paul, Haley, Kristie, Ashley and Eric; four great-grandchildren, including Jason, Renee, Stephanie and Jessie; three sisters, Opal Powell of Fort Benton, Vera Sears of Great Falls, and Evelyn Sears of Edmonds, Washington; one aunt, Virginia Roberson of Great Falls; and numerous nieces and nephews. She was preceded in death by her parents.

Funeral services were held at 11:00 a.m. Thursday, October 17th, at the Chester United Methodist Church with Reverend Chuck Nowlen officiating. Two special songs, "In the Garden" and "The Wind Beneath My Wings", were performed by Rudy Cicon and Tom Dunham. The congregation sang "How Great Thou Art", accompanied by organist, Karen Tempel and Paul Johnson. Family members served as pallbearers and honorary pallbearers. The eulogy was shared by Evelyn Johnson. Interment was in the Chester Cemetery with arrangements by Rockman Chapel, Chester. A luncheon followed at the church.

DANIEL THEODORE TEMPEL
Liberty County Times
December 11, 1991

Dan had many hobbies. He enjoyed fishing, camping, golfing and bowling. He was an avid spectator fan of professional football and boxing. He liked to play cards of all kinds, but was especially fond of "pan". Dan was a dedicated movie buff (there weren't many movies he hadn't seen). He loved to read; he was proud of his collection of old comic books and he saved every "western" by Louis L'Amour. He enjoyed computers and video games.

During his high school years he contributed to the success of the boys basketball team by serving as manager.

A few years ago Dan was given a little pet dog, a Chinese chihuahua. Even though the dog appeared petite, harmless, and cuddly, Dan's new pet was strong-willed and tough, so he gave it an appropriate name, "Duke". Dan and Duke were alike. Dan was small in stature with a quiet, unassuming personality, but he still earned the respect of his family and they referred to him affectionately as "Dan the Man". Dan was a man in the fact that he never blamed anyone for his disease, he went through excruciating pain and treatments without complaint, he exhibited no anger when complications developed, and he showed no fear even when death was near. It would have been understandable for Dan to have been hostile and bitter, but he simply accepted his situation, was happy to be here while he could be, and appreciated the love and affection of his family and friends...

Dan is survived by his parents, Ted and Elvina of Joplin; two brothers and their wives, Edward and Kelly of Freemont, California and Greg and Trish of Joplin; one sister and her husband Renee and Mark Evans of Joplin; two nephews, Dusty and Matt; and three nieces, Tawnya, Kari and Kassondra. Dan was preceded in death by a brother, Jerry in 1988, and by a sister-in-law, Denise in 1989.

Funeral services were held at the Bethel Church in Joplin on Friday, December 6th, at 11:00 a.m. Reverend Allen Haugen officiated. The congregation sang "I Was There To Hear Your Morning Cry", accompanied by organist, Susan Peterson. Vocal tributes by Sue Violett included "How Great Thou Art" and "The Wind Beneath My Wings". Ushers were Paul Johnson and Rex Gulick. Friends serving as pallbearers included Marty Wood, Gary Hodges, Rob Tempel, Dennis Henke, Jon Hodges and Ross Millar. Honorary bearers were listed as "friends; and fellow workers at the S.C.S. Office". Burial was in the Joplin Cemetery with arrangements by Rockman Chapel, Chester. A luncheon followed at Kjos Hall in Joplin.

Dan Tempel

Daniel Theodore Tempel was born November 23rd, 1964 in Chester, Montana. He was the youngest of five children born to Elvina Cady and Theodore Tempel. Dan grew up on the family farm north of Joplin. He was baptized at the Immanuel Lutheran Church and confirmed at the Bethel Lutheran Church. He received his formal education in Joplin, graduating from J-H High School in 1983. In the few years that followed, Dan attended

Northern Montana College in Havre where he studied computer administration. Because of failing health due to a lifelong affliction of hemophilia, Dan dropped out of school and returned to Joplin. In 1988 he became a volunteer employee at the U.S.D.A. (S.C.S. Office) in Chester, where he worked in record maintenance and computer programming. His health continued to deteriorate, so he resigned his position at the S.C.S. Office this past June. He has lived and received medical care at his parents' home in Joplin, where he died on the morning of Tuesday (December 3rd). Dan had just turned 27 years old.
Stella has battled rheumatoid arthritis for many years. Recently she developed severe complications and her general health deteriorated these past several months. She died at the Liberty County Hospital in Chester on the afternoon of Wednesday, December 18th. She was 76 years old.

Stella had been an excellent seamstress and had sewn many clothing items for her children and grandchildren over the years. As a hobby she collected plates and family photos. She enjoyed working crossword puzzles. Stella was a good homemaker and cook (her family will always remember her delicious "baking powder biscuits"). In their early married years, Stella and Earl liked to go square dancing or play cards with family and friends. Stella enjoyed traveling, and three years ago took a memorable motorhome trip to Alaska. She and Earl just celebrated their 57th wedding anniversary this past month...

In addition to her husband, Stella is survived by two sons, Stanley ("Pudge") of Chester and Vernon ("Buzz") of Missoula; one daughter, Beverly Pugsley of Chester; 13 grandchildren; 14 great-grandchildren; one great-great-grandchild; three brothers, Walter Ward of Fairfield, Aden Ward of Chester, and Larry Ward of Kalispell; two sisters, Vena McCulloch of Juneau, Alaska and Lila Laas of Chester; and numerous nephews and nieces. Stella was preceded in death by her parents and two grandsons (Doug and Loren).

Funeral services were held at 2:00 p.m. Saturday (December 21st) at the Chester United Methodist Church with Reverend Bill Mullette and Reverend Charlie Hanson officiating. Gail Cicon served as organist and the congregation sang "Amazing Grace" and "In the Garden". A special vocal number by B.J., Michele, and Bryan Oswood was "How Great Thou Art". Gail played a postlude organ rendition of Stella's favorite song, "After the Ball". Ushers were Dallas Denfer and Earl Wolery. Several of Stella's grandkids and nephews served as pallbearers. Following interment in the Chester Cemetery, a reception was held at the church. Funeral arrangements were by Rockman Chapel, Chester.

Renton man dies of injuries from accident

RENTON - A 90-year-old Renton man who had been struck by a car while jaywalking last month died Sunday.

Jake Zier died at 9:20 a.m. at Valley Medical Center, a King County Medical Examiner's Office spokesman said. An autopsy is scheduled for today.

Zier was struck Feb. 2 as he crossed in the middle of the 300 block of Williams Avenue South. Renton police said the driver, a 16-year-old Renton girl, apparently did not see Zier until he was right in front of the car. The accident is still under investigation.

Jacob Zier's father was a homesteader in the George community in the homestead era. His father died in 1918 here and is buried in the Erickson Cemetery. Some of the Zier children were born here. He was here a few years ago visiting Josie Wolfe and I did a tape on him. They went to school together.
